Certificate No. 730)

Case No. MP-2005-37

On April 1, 2005, in Order No. 8621, the Commission issued notice that it was revoking the \$1.5 million primary WMATC Insurance Endorsement on file for respondent effective May 1, 2005, because the Commission had evidence that respondent had two motor vehicle liability insurance policies, one policy from Liberty Mutual for one of respondent's two revenue vehicles and one policy from National Indemnity for the other.

The order noted that Certificate No. 730 would be automatically suspended under Regulation No. 58-02, and subject to revocation pursuant to Article XI, Section 10(c), of the Compact, if within thirty days respondent failed to put both vehicles on one of the two policies and cancel the other.

Respondent subsequently filed proof that all of respondent's revenue vehicles are now on one policy issued by Liberty Mutual and that the policy from National Indemnity has been cancelled. In addition, respondent has filed a new \$1.5 million primary WMATC Insurance Endorsement from Liberty Mutual. Accordingly, this proceeding is terminated.

IT IS SO ORDERED.

FOR THE COMMISSION:
